## INTRODUCTION

---

THE GENERAL CONFERENCE MENNONITE CHURCH is an entity composed of member congregations in North and South America. It is incorporated under the statutes of the state of Kansas in the U.S.A. Churches have united to form a Conference of Mennonites in Canada and several district conferences in the United States based largely on geographical location.

The delegate body which meets triennially is elected by individual churches on the basis of one delegate per thirty members. At the triennium session delegates elect three officers: president, vice-president, and secretary. The delegate body also elects members to program commissions, a seminary board, and a division of administration. These bodies meet annually in what is referred to as a Council of Commissions. It is at these sessions that action programs are planned and the annual financial budget is adopted.

Two subsidiary corporations, Church Extension Services and Mutual Aid Services, are incorporated under the statutes of the state of Kansas and deal with specific areas of program work.

A number of institutions and organizations, such as colleges, hospitals, Mennonite Central Committee, and Congo Inland Mission, bear a functional relationship to the conference through the commissions. These institutions and organizations are located in a separate section of this publication.

Institutions recognized as "General Conference" are not a part of the corporate structure of the General Conference Mennonite Church. They have their own corporate structures as set up under the statutes of the states in which they are located.

## DIRECTORY OF CHURCHES

The addresses and telephone numbers listed below are those of the church. If the church has no phone, the number is that of the person listed with the church. The addresses and personal telephone numbers of ministers are found in the Directory of Ministers.

Churches not having a pastor as of June 1, 1971, are indicated by a symbol (%), and the person whose name and address appears with these churches is generally the chairman of the Board of Deacons.

The telephone number listed after the minister's name is his home number. Exceptions are cases where ministers were in the process of moving at the time this directory was prepared, in which case the church address and telephone number are listed. The address and telephone number of the churches can be found in the Directory of Churches.

For Canadian and South American ministers, names preceded by the symbol (†) indicate elders; names preceded by the symbol (\*\*) indicate retired ministers.

If a minister has been ordained by another denomination and is now serving a conference church, his name is followed by "not registered" if he has not been officially registered as a General Conference minister.
